

## **Tips and Reminders for Visiting Promise Place**

- **Please label all of your child's belongings (including pacifiers and sippy cups) this will help us better keep track of your child's items.**
- **Diaper bag tags and labels are available in desk outside of baby rooms or in the Preschool Office.**
- **Please prepare your child's bottle in advance .**
- **If your child has any allergies or other medical needs, please notify your child's teacher and the Preschool office. We serve Ritz Crackers and Apple juice to toddlers-kindergarteners as a snack in Preschool. Other snacks should be posted by the teacher. Please notify us of any concerns or allergies.**
- **Please bring 2- 3 diapers and an extra change of clothing as needed for your child.**
- **If your child is potty-training, please send him/her in a training diaper until training is successfully completed.**
- **Toys and other "possessions" are best left at home unless they are a "security" item such as a pacifier, blanket, etc.)**
  
- **Children cry sometimes when being left by parents. We understand and expect it. It is a normal, healthy show of preference for parents. In most cases, crying stops a few moments after you leave and becomes less common with regular attendance. We are happy to work with you as your child adjust to his or her new surroundings. Give them a little time and they will feel confident and secure and love coming to *their church!***
